JUDGMENT

The challenge in this writ petition is against Ext.P5. A reading of Ext.P5 shows that the intention is to avoid middlemen and it is therefore, that applications were directed to be sent by registered post. On going through the writ petition and the case of the petitioner, I am not satisfied that there is anything objectionable in Ext.P5, in view of the fact that it was issued for the purpose of eliminating middlemen and root out corruption, Ext.P5 is liable to be upheld and I do so.

Writ petition fails and the same is dismissed.

ANTONY DOMINIC
